THE WALLACE

3 Berth Campervan

Self Contained Toyota Hi-Ace 2006-2014 Model, Automatic

Have the freedom to roam the unknown! The Wallace is a fully self-contained beast with all the amenities you need to travel, no strings attached (aside from your amazing shoestring budget of course!)

During your travels in New Zealand you will see variations of these campers everywhere because of their amazing reliability. So take confidence in knowing the van you are renting is tried and true.

Scottiedogs has been a family owned and operated business for over 30 years, and is proud to have an in house team to build these beauties, which means we can pass the savings on to you! (If you find a better price, ask your agent about a price beat!)

All our Wallace camper vans are 2019-2021 builds, which means they are fresh and clean for you to relax like it's your own little home. With all the gear, you're ready to go with no extras required. Fridge, Microwave, Sink, Cooker, Potts, Pans, Cutlery, Crockery, Toilet, Linen, dual battery system and 240v.
